1962
JONATHAN DAYTON REGIONAL HIGH SCHOOL
SPRINGFIELD – NEW JERSEY

FREE PUBLIC LIBRARY
SPRINGFIELD, N. J.

INTRODUCTION

As we, the Class of 1962, made our way through four years at Jonathan Dayton Regional High School, we gave little thought to the purpose of our high school education. Now, as graduation approaches, we must try to see Regional in the light of our future lives. We must realize that here at Regional we have been laying the foundation for all we may ever do. The theme of the 1962 REGIONALOGUE, "Countdown to the Future," recognizes the importance of all we have done here. It reflects the influence of Regional on our futures. It recognizes the significance of the preparation, the "Countdown," without which our lives would be meaningless.

The future of the Class of 1962 is unknown. However, we have reason to be optimistic. We have been well prepared to meet whatever life may bring. The countdown is almost complete. All that is left for us is to make use of the learning and understanding we have gained at Dayton Regional.

Ta the Class of 1962:

As yau leave yaur Alma Mater and embark upan other oreas af study ar wark we trust that you have learned yaur lessans well. The future halds many appartunities in store far yau. However, always remember that what these opportunities are, depends upan yau! We wish yau gaad luck and Gadspeed. Let us heor af the accamplishments of the Class af 1962.

Sincerely,

R. T. JACOBSEN

IN DEDICATION

MISS CHARLOTTE SINGER

IN DEDICATION TO

MISS CHARLOTTE SINGER

We will always be groteful, Miss Singer, for the part you played in preparing us for the years that lie ohead. During the post four years we have found wisdom in your guidance and security in your patience and understanding. We have always relied on your judgment. It was you who gave us the incentive when oll seemed so far beyond our reach. As the memories of our high school years flood through out minds, the extra time and effort you took to help moke our stay at Regional more fruitful and successful, we remember with gratitude.

At the end of the count down to the future, we are again reminded of the significance of these, your gifts to us. As graduation approoches, your kindness and consideration play a mojor part in preparing us for this memorable event. For, if it were not for your extra interest in the individuol problems of both students ond parents, our future years might not hold the meaning and promise thot they now do.

Thus, the Class of 1962, in gratitude for your contributions and guidonce, proudly presents its most precious gift, the dedication of the **Regionalogue.**

IN MEMORIAM

MRS. JOHN REEVES

IN MEMORIAM

The untimely death of Mrs. John Reeves, in the fall of 1961, ended thirty years of dedicated service to the field of education. Her early teaching years were spent in the south Jersey and Bernardsville school systems. For many years she taught tubercular children of high school age at Runnel's Hospital in Berkeley Heights while occupying a position on the staff of Jonathan Dayton Regional High School. She had been teaching at the high school for little more than a year when she died.

Mrs. Reeves will be remembered fondly by pupils and faculty for her devotion to her work and for her kindness and concern for other people.

ENGLISH DEPARTMENT

English is one of the major subjects studied at Regional. It is made interesting and enjoyable by our capable instructors. The aim of the English courses are to provide the student with rich and varied experiences which can be enjoyed through the study of literature. In the freshman and sophomore years the student becomes acquainted with literary form and style. American literature from Puritan times to the present is studied in our junior course. The English culture as it is reflected in literature from **Beowulf** to modern English authors is the subject of the senior course.

THE FOREIGN LANGUAGE DEPARTMENT

The teaching of foreign longuoges in our school is bosed on the belief thot longuoge is o meons of communicotion. In the elementory closses, the emphosis is ploced on comprehension ond conversation. SCIENCE DEPARTMENT

This past year the Science Department expanded its program with success. Two more courses, biology and physics, were added to chemistry to complete the cycle of our advanced courses. The elementary and intermediate courses still provide the basic knowledge necessary for the specialized courses.

L. to R.: P. Danilo, A. La Sota.

AGRICULTURE DEPARTMENT

The Agriculture Department is designed to prepare students for further work in agriculture, either in a career upon graduation or in college. The students also participate in community affairs. Each year they hold a fair to inform the community of their projects, and at Christmas time the Future Farmers of America sponsor a food drive so that the needy may enjoy a Yuletide feast.

Mr. Walter Hahn

Miss Mary Ann Ulbrich

HOME ECONOMICS DEPARTMENT

By emphasizing those skills, attitudes, and ideas that apply to a girl's daily life, the Home Economics Department attempts to prepare her for the enjoyment and satisfactions of successful home living in later years. Through such courses as Foods, Clothing, Home Decoration, and Home Management, practical experiences are provided as often as possible to offer realistic situations for effective learning.

GUIDANCE DEPARTMENT

The Guidance Department offers many services to the students of our school; counseling and testing are just two. Through counseling, the college-bound student is encouraged to follow a four-year program in which he completes specific steps each year. Vocational students are given the opportunity to hear speakers who represent many different careers and to visit various businesses and industrial plants in order to help them decide on their future jobs. All students receive general aptitude, interest and achievement tests; others are tested to measure specific skills.

L. to R.: M. Lefever, H. Crawford, M. Gionnone, T. Gambino.

MATHEMATICS DEPARTMENT

Regional has intensified its efforts in the Mathematics Department. Algebra 2 has has been added to follow in sequence elementary Algebra for those students who have selected the accelerated or enriched program. The math program offers an excellent opportunity for those students who wish to continue in the field of mathematics.

The loss of last year's stars, Joe Vizzoni and Ken Ryder, was felt this year. With four inexperienced players on the forward line, our offense could not get rolling. Its record of 2—12—2 showed this lack of offense.

The defense was the strongest point of the team. Led by lettermen Dennis Francis, Elliot Wortzel, and Charlie Muratore, our defense shone and the goals scored against us were real heartbreakers.

With the return of 7 lettermen, next year's record should improve.

Football

We want Rahway!

Coach Palmer said he wanted a size 7¼?

Led by Marty Sica and Tuffy Hartz, Coach Palmer's Bulldogs had a very successful season with a record of 7—1—1. The outstanding features of this year's team were defense and teamwork.

Through the coaching of Mr. Palmer and his assistants, Coaches Albano, Bicknell, Mills, Yanchus, and Lummer, Regional's football team was drilled well in all phases of football. We passed and ran with precision.

Defense was, however, our mainstay. Marty Sica, at middleguard, sparkled in every game, intercepting passes and making key tackles. The other members of the defensive team should also be complimented.

For the first time in Dayton's history, we played another Regional High School. On September 30, Regional played Arthur L. Johnson H.S. in Clark and won 39--14.

A few stalwart fans watched Regional set a new scoring record in the game against Caldwell. They scored 54 points to Caldwell's 6. This game was played in a torrential rain.

The season was closed on a victorious note with Regional defeating Rahway, 32—6. This was the 25th anniversary of the Rahway — Regional rivalry.

Regional was honored when Marty Sica was chosen All-State tackle and when we became co-state champs of Group III.

Hey, this isn't working!

Coach Polmer's wrestling squad had another successful season. With the return of Tuffy Hartz and Rich Lucariello and lettermen Bill Geoghegan, Mike Bracht, and Tom Venice, our team bettered last year's record. Marty Sico, Carmen Rico, Tom Venice, Rich Lucariello and Bill Geoghegan are to be especially commended for their efforts. Coach Polmer and Coach Sachsel worked hard to mold the 1961—62 wrestling squad and to make it what it was. Joe Di Mario leads a field of promising J.V.'s and freshmen.

Despite the loss of six men through graduotion ond one man to the wrestling teom, the prospects of this year's basketball teom seemed good. Through the tutoring of Cooch Swedish, this yeor's team wos able to better last year's disoppointing season. With Jack Apgar in the bockcourt and Ted Schuss ond Dave Bonislawski in the forecourt, our scoring has been high.

Although the season started out well, we suffered losses to the top teoms in the country and ended with a losing seoson. With three juniors and one sophomore on this year's team, our record should be better next year.

Girls' Sports

G.A.A. Officers

L. to R.: Judy DiBiose, Karen Kauer, Helene Rau, Marianne Miller.

Throughout the year aur gym instructars are kept busy supervising after-schaol activities. Teams af the students' awn chaasing participate in the yeor-raund sports progrom offered at Regionol. In the foll the girls can be seen on the field after school booting the soccer ball or wildly chasing after the hackey ball while the referee screams "sticks!" For thase boys who may not be familior with the term, "sticks" is a faul called when a player has her hackey stick raised above her shaulders.

Hockey

Where'd the other team go?

In both hockey ond soccer our girls monoged to moin-toin on impressive record in the county in competition with other schools.

When the weother gets colder, the girls move inside. This yeor opproximotely one hundred ond sixty girls bowled ot Echo Lones ond those teoms or individuols with the highest scores received trophies for their ochievement. Still others went out for volleyboll or recreotionol gomes. The recreotionol gomes ore o new extrocurriculor octivity ot Regionol ond they include shuffleboord, ping-pong, ond duck-pin bowling.

Volleyboll is on importont octivity, with eight teoms ploying on eoch of three doys of the week. In the intromurol competition three teoms come out on top for their respective doys. They were Joon Molluso's teom, Judy Groborz's teom, ond Corol Mihlon's teom. Judy's teom, colled Judy's Jerks, won the finol ploy-off, moking it Regionol's best.

Bosketboll is olso o fovorite cold weother sport. As in most of our sports, leogue teoms ore formed by the girls themselves ond ploy weekly on o given doy.

It's o ball!!!

Softball

Are you ready, girls?

Basketball

Besides the league teams, there are alsa class basketball teams which campete with ather schaals and this year have maintained Regianal's fine standing in the area.

When the warm weather wends its way back ta Springfield, the girls again take ta the autdaars, anly this time ta the saftball diamand and the archery range. In archery the girls campete individually ta attain the highest scare. Saftball is a team effart which gives the girls an appartunity ta wark aff steam an the warm afternaans.

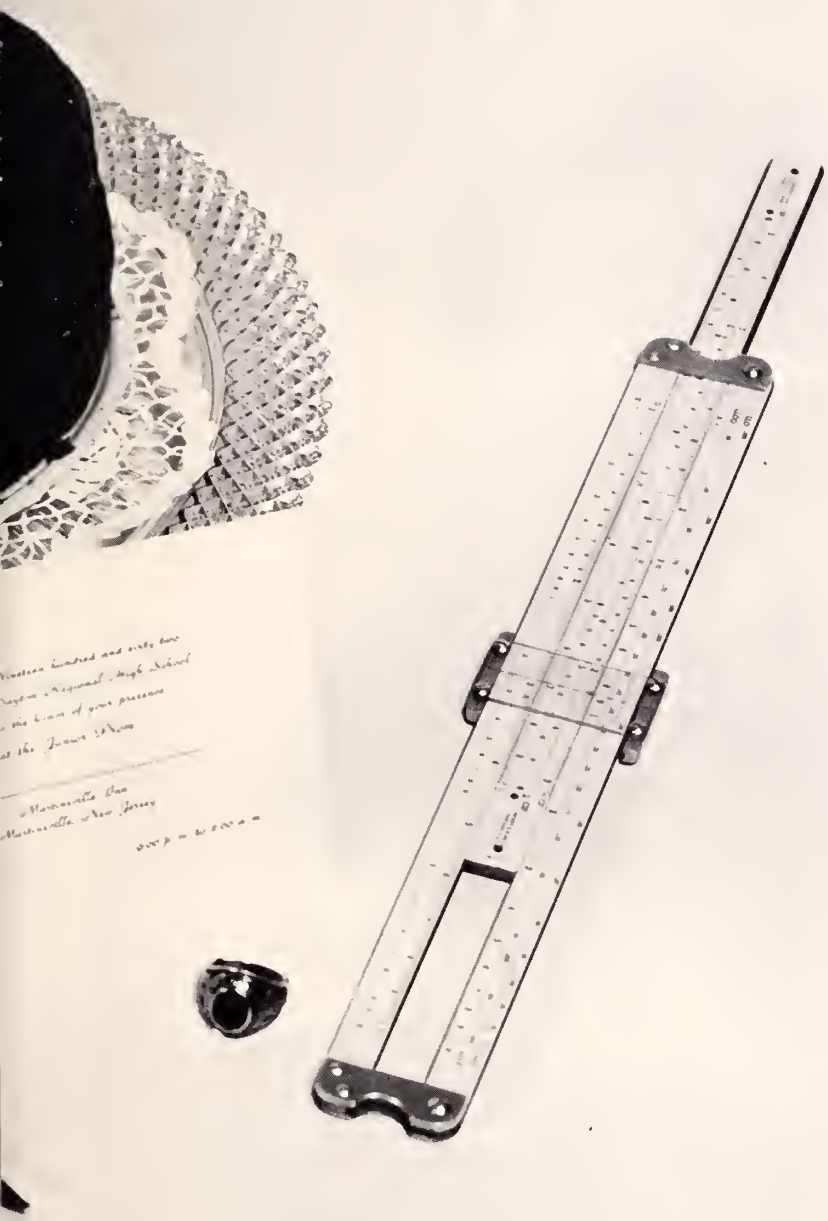
The Leader's Club is an important element in Regional's sports program. It is a select group, chasen an the basis af leadership and spartsmanship qualities. This year the Leader's Club sponsared a Christmas Open House far the mathers af the girls in our sports program. Abaut twa hundred persans attended. The Club also officiates at valleyball and basketball games. Anather big activity that the club spansars is Play-Day. Other schaals are invited and many navelty games are played as well as saftball, valleyball, and cageball.

Wha's the wise guy?

REGIONAL



SCHOOL LIFE

THIS IS OUR ALMA MATER as it stands majestically in the golden sunlight of a summer day. Its halls have seen many students, all of whom have become a part of Dayton's heritage.

As towns of the Regional district grew, our school likewise expanded. New accommodations were made for growing needs. The Regional tower, a Springfield landmark, continued to hail students from many towns until greater population growth forced the opening of the

Arthur L. Johnson Regional School in Clark. Two years ago another Regional school opened, this time in Berkeley Heights.

We can be proud of our Alma Mater and the reputation that accompanies it. Its Georgian architecture, picturesque campus and the happy memories it holds for each student, past and present, make Regional the school we love and cherish in our hearts.

REGIONALOGUE

This year's Regionalogue staff worked diligently and effectively in completing this year's yearbook. With the advice of its new advisor, Mrs. Hohn, the yearbook was accomplished, step by step, meeting each deadline. Any sophomore, junior, or senior willing to work, may join the Regionalogue staff. The task of completing a yearbook is difficult and arduous; however, it can be very rewarding. Therefore this year's staff gives special thanks to Barbara Nadler and Paul Becker.

NATIONAL HONOR SOCIETY

Membership in either of these honor societies is one of the greatest awards a student can receive. The French National Honor Society rewards those French students who have maintained an "A" average in French over a period of two years. The National Honor Society is comprised of those students with outstanding character, leadership, scholarship and service to the school.

"CAROLS THROUGH THE CENTURIES"

December, the month of holidoys, was o month of hoppiness ond excitement for Regionalites, highlighted by the first musicol concert of the yeor, "Corols Through the Centuries." The vocol deportment under the direction of Mr. Peters presented this very fine concert on Dec. 7th. Those who saw the performance will long remember it as one of this year's many fine accomplishments.

DINO

"Dina," a three act drama, was presented in Navember as the senior play af the Class af 1962. The play dealt with the reformatian of Dina, a juvenile delinquent, by Shirley, wha accomplished this miracle thraugh patience and understanding.

Dina was the stereatype af the misunderstaad adalescent wha had served a four year term in refarm schaal far murder. His yaunger brather was impressed with Dina's natariety and wanted ta fallaw the same pattern.

At the settlement haase, Dina met Shirley, a shy intellectual whase hanesty and trust gave Dina the first real friendship af his life. Thraugh her, he saw the reflection af gaad, rather than evil; he learned ta lave rather than ta hate. Dina's refarmatian kept his brather fram leading a life af crime as well.

The audience warmly approved both the play and the actars.

This year's Student Council again made it possible with the cooperation of the Herald Tribune Youth Forum to bring two foreign exchange students to Regional. Alem Seged Habtu of Ethiopia and Selah Asa'd of Jordan both enjoyed a stay of two weeks in Springfield, staying at the homes of Elliot Wortzel and Ed Fronzese, respectively. It is our hope that next year we will have a foreign student for one year under the American Field Service Program.

February 7, 1962, was the day of reward for a great deal of effort applied by students and Mr. Karish. This year's Model United Nations Assembly, in which Dayton participated with Clark and Berkeley Heights, was the most successful of years past. Bob Seltzer did an excellent job of fulfilling the duties of President of the Assembly. However, the highlights of the assembly were the speeches given by this year's foreign exchange students in their native tongue. We look forward to a similar opportunity next year with equal success

SCIENCE AT

Chemistry aids biology in helping mankind.

Real spring lamb comes to Regional.

. . . "nine out of ten doctors recommend . . ."

Tools of

The Fourth Annual Science Fair held at Jonathon Dayton Regional High School on March 15 and 16 can be described as an explosive success. The Fair, however, did more than provide mere enjoyment to the visitors and a feeling of pride to the participants; it indicated the great interest in science among young people today which is our nation's hope for the future.

All three Regional Schools and the junior high grades of the Springfield elementary school entered the competition. Individual and group projects covered all major fields of science including chemistry, biology, mathematics, physics and the natural sciences.

The project, "Removal of Radio-Strontium," which won first prize in the chemistry division for Carl Womser, is shown here. Other first place winners from the Regional High Schools were John Melock, in the ninth

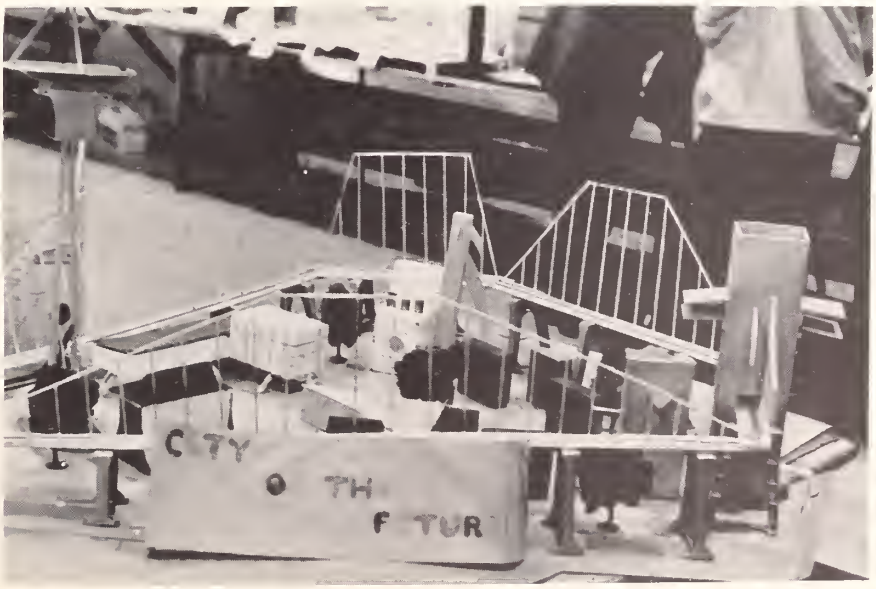
grade category; Anthony Verlangieri, in the biology category; Thomas Gambino, Jr., in the physics category; Robert Einziger, in the mathematics category; Burnie Brien, in the models and charts category; Wendy Ebert, Carol Pappas, and Janet Pollack, in the group category.

Mr. Goerge M. Barclay, general chairman of the Science Fair, and his two assistants, Mr. Walter A. Hohn and Mr. Joseph J. Sott, co-ordinators of the Science and Math Departments respectively, deserve special credit, as do the judges from the many near-by schools and industries.

Ever since the age of prehistoric man, we have been battling to overcome the physical obstacles of this world. The progress that has been made can be seen through the photographs on these pages. They give us some indication of our "Countdown to the Future."

This is mankind's dream of the future.



SENTIMENTAL JOURNEY"

The two major social whirls of the year were similar on several counts. They had the same setting, the same menu, the same queen.

The Junior Prom, entitled "Sentimental Journey," was held at the Martinsville Inn on May 6, 1961. One of the highlights of the evening was the distribution of the favors, each of which bore the inscription "S.S. Dayton '62". The biggest event of the evening, however, was the crowning of the Queen of the Prom, Susan Staiger. Tasty steak dinners provided the energy for a gala evening of dancing.

"APRIL IN PARIS

"April in Paris" was the theme of the Senior Ball held on April 6, 1962. Gaily colored, stuffed French poodles, clipped and trimmed with white fuzz, were the favors distributed to compliment the decor of the Martinsville Inn that night. Once again Sue Staiger reigned as Queen of the Ball.

The steak dinners had to provide an extra amount of energy. For the first time in the history of Regional, the tiring Twist topped the choice of dances, and girls shed their shoes to join the wild gyrations.

The recent success of the "Twist" in the United States has spread to all age groups with varied effects. According to the originators and the teen-age set the twist is pure enjoyment. The older folk thought it was an obscene dance, until they learned it trimmed the waistline. The craze continued to spread until Grandma and Grandpa did the twist to "keep in shape" and found in many cases it did more harm than good. The twist is shown to be most popular, though, among the students here at Regional, as evidenced by the above picture taken at the Senior Ball.

MR REGIONAL

"That's mine and you can't have it!"

"We're the beauties of Regional in fashions from Dior."

"The faculty strikes again."

On March 30, the Senior team took on the big, tough Faculty Five in a bid to establish student superiority on the courts. The team, which based its attack around speed and deft ball handling, consisted of: Marty Sica, Larry Stickle, Danny Olivo, Larry Sullivan, Jim Crowley, Dennis Lawson, Bob Muller, Mark Friedman, Rich Blofer, Anthony Fevola, Eddy Erskine, Joy Molluso, Elliot Wortzel, Joe De Nichols, and Tuffy Hartz.

The Faculty team consisted of such stalwart veterans as Coaches Yanchus, Jasinski, Mills, Taglienti, Albano, and Lummer who were joined this year by neophytes Martin, Gurbach, Gonello, Sontaguida, and Palfi.

Remembering last year's success, the Faculty team exuded confidence in an unqualified victory. The Student team, however, expressed belief in its ability to handle the power-laden faculty.

Rallied by a large and enthusiastic crowd of loyal students, the Student cheerleaders tried in every way to give the Student team an edge over their veteran opponents by even giving towering Marty Sica a step ladder from which to shoot foul shots. These desperate attempts, however, were futile. In a last minute burst of energy, the Faculty Five demonstrated smooth efficiency by squeezing out the Student team by a tight score of 52-47.

THE UNEXPECTED AT REGIONAL

Mr. Caprio, Language Department Coordinator, oversees repairs on the water main.

This year Regianal managed ta make the frant page newspaper headlines when a water main brake and schoal was dismissed befare the day had begun. It was estimated that several feet af water had to be pumped out of the cellar.

Later in the year, a more disrupting event occurred when the school was informed that a bamb had been planted in the building. The schoal was cleared af students far mast af the sixth periad, while firemen and autharities searched the premises. To make up the time lost, students had to remain after school the fallowing Thursday.

Nothing explosive was found, althaugh everyane felt a sudden chill when an averhead jet broke the sound barrier during the excitement.

The expected and the unexpected events at Janathan Dayton Regianal High Schaal combined ta pravide the Senior Class of 1962 with a backlag of experiences that are its Countdown ta the Future.
